I am a digital media graduate with working experience in research projects as well as in the private sector.

as latest degree from
University of Bremen

And I am always looking for new exciting and interdisciplinary projects worldwide.

SKILLS AND TECHNOLOGIES

The biggest part I contribute to my work is in the area of software development.

LANGUAGES

 German (native)
 English (c1)

Currently, I develop realtime apps with Meteor and react. Formerly I worked with Java and XPages.

I am using Git and Webstorm regularly for my dev projects.

ACTIVITIES

of participation at
Global Game Jam

In my freetime I read lots of news and help others on Stackoverflow. Due to bodyweight training I can keep my body and mind in balance.
